Percentage-67.33%

### SSLC

Vivekanandha Higher Secondary School -  
Puducherry

06/2017 - 03/2018

Percentage-82.5%

## EXTRA-CURRICULAR ACTIVITIES

**Mitilence - Line follower Coordinator**  
Puducherry

**Virtusa Jatayu Ideathon of Conversational AI - Round 2**  
Virtusa

**Runner in Web development Program in Pondicherry University**  
Puducherry

**Participated in Web development program in Saveetha Engineering College**  
Chennai

**Participated in Web Designing program in SRM**  
Chennai

**Participated in Project Expo in SMVEC**  
Puducherry

**Participated and presented my idea in Smart India Hackathon-2022**  
Puducherry

## INTERNSHIPS

Full Stack internships in Twilight IT Solution  
(10/2022 - 10/2022)

Artificial Intelligence internship in Smartknower with IBM  
(03/2022 - 05/2022)

## SKILLS

HTML

CSS

Javascript

React.js

Python(Basic)

C

Flutter

Figma

Fusion 360

## PROJECTS

Obstacle avoiding robot using Arduino UNO

- We developed a basic robot with detecting and avoiding obstacles in its path. It uses sensors and algorithm to detect objects and avoid its movement.

Robotic Arm using Arduino UNO

- We developed a robotic arm structure is designed for a purpose to pick and place an small object. We designed this robotic arm using Fusion 360.

AI Chat bot using Flutter

- We designed and developed our own AI chatbot for virtusa (Jatayu Ideathon).It works on Insurance based questions.

20+ Web development projects

- Developed more websites like Resume builder, Calculated, CRUD websites,Quiz app, Parallax website.Participated in many programs in other colleges.

## HOBBIES

Cycling

Exercise

Playing Cricket

Indoor games

## INTERESTS

Web Developing

Web designing

IoT projects

3D designing & printing

Arduino projects
